		Tot Scholar Afternoon Care	
6	August 3	Art from the Heart	
		Tot Scholar Afternoon Care	

***Lunch is a part of Afternoon care. Children bring their own lunches and eat in the classroom from 11:30 am - Noon.**

WEEK 1

Music and Dance

Join in with friends for fun, laughter and discovery in self-expression. We will explore multicultural traditions and rhythmic games through songs and stories.

WEEK 2

Railway Wonders

Trains are an amazing form of transportation and a fascinating part of our history in the US and around the world.

WEEK 3

Cookies and Books

Books about cookies? There's no better combination for this age group. Join us for a literary sweet treat.

WEEK 4

Down on the Farm

Children will have a "farmtastic" time learning about the different animals on a farm and how they play a role in growing crops.

WEEK 5

Symmetry and Balance

From nature to games and even our own human body, the world around us is sometimes perfect symmetry and sometimes not. We'll learn the different and see many examples of both.

WEEK 6

Art from the Heart

This week is about showing our love in many different ways. Greeting cards, stuffed animals, food and more are all expressions of art from the heart.

WEEKS 1-6

Tot Scholar Afternoon Care

Extending the length of the day for our youngest children, Tot Scholar Afternoon Care offers a low-key, more relaxed schedule for the afternoon. Children will eat lunch, take a brief exploratory walk, nap, then play both inside and out for the last 45 minutes.
